IMPORTANT NOTICE

You need to read these terms.

These terms need to be read together with your Approval, our FSG, PDS and other documents incorporated by reference in these documents. These documents constitute the entire understanding between you and us regarding our provision of the Loan to you.

To the extent of any inconsistency between the Approval and any other part of these terms, then these terms prevail.

Unless you have appointed us as your adviser in relation to an ANZ Investment Loan, we have not taken into account your objectives, financial situation or needs.

Before applying for the Loan, you should consider the appropriateness of the Loan, having regard to your own objectives, financial situation and needs. Before you make a decision about whether to use the Loan, you should obtain, read and consider the PDS.

To the extent permitted by law, we have no liability to you with respect to any transactions undertaken under these terms or your investment decisions generally. You will rely on your own skill and judgement (and, if applicable, that of your adviser) when deciding whether to invest in Approved Assets or whether to fund part of that investment by borrowing using the Loan.

For example, even though:

- we may classify an asset as an Approved Security, it is not a recommendation by us that you invest in that asset; and
- you may qualify for a Diversified Portfolio Loan, it is not a representation by us that the Portfolio is appropriately diversified.

You assume full responsibility for your investment decisions. Accordingly, you should consider obtaining independent legal, financial and taxation advice in relation to these terms and your investment generally.

There are limits on the way that the Loan can be used.

You acknowledge that the proceeds of the Loan may not be used for a Code Purpose, including:

- a personal, domestic or household purpose; or
- the purchase, renovation or improvement of residential property for investment purposes; or
- the refinancing of credit that has been provided wholly or predominantly to purchase, renovate or improve residential property for investment purposes; or
- any other purpose which is regulated under the National Consumer Credit Protection Act.

Credit reporting

We may disclose your information, including information about your other credit liabilities, repayments and defaults, to credit reporting bodies. Information about credit reporting, including the name and contact details of these credit reporting bodies, when we may disclose your personal information to them to include in a report about your credit worthiness, and how you can request credit reporting bodies not use your information in certain circumstances, is available at anz.com/privacy.

For a hard copy of this information, please call 13 13 14 or visit any ANZ branch for a copy of our Privacy Policy.

Privacy consent

We and other members of the ANZ Group may send you information about our financial products and services from time to time. We may also disclose your information to our related companies or alliance partners to enable them or us to tell you about a product or service offered by them or a third party with whom they have an arrangement.

If you do not want us, or our alliance partners to tell you about products or services, phone Customer Service on 13 13 14 to withdraw your consent.

Where you wish to authorise any other parties to act on your behalf, to receive information and/or undertake transactions please notify us in writing.

If you give us personal information about someone else, please show them a copy of this document so that they may understand the manner in which their personal information may be used or disclosed by us in connection with your dealings with us.

Overseas recipients

We may disclose information to recipients (including service providers and related companies) which are located outside Australia and/or not established in or do not carry on business in Australia.

You can find details about the location of these recipients in our Privacy Policy and at anz.com/privacy.

Commissions and benefits

If you have an Adviser, you authorise and direct ANZ to pay your Adviser's Australian Financial Services Licensee (where applicable) a percentage of the Loan Balance in relation to the financial product advice provided by the Adviser to you. The percentage is the amount disclosed to you by your Adviser.

ANZ has engaged Share Investing Limited to provide financial services in relation to the sale of the Loan to you. As remuneration for these financial services, you authorise and direct ANZ to pay Share Investing Limited a portion of ANZ's revenue from its investment lending business on a monthly basis. The portion is the amount agreed between ANZ and Share Investing Limited.

Electronic Communications consent

You consent to us giving you any terms and conditions, any disclosure documents (including Financial Service Guides and Product Disclosure Statements), and any updates and supplements to the disclosure documents by using the address, telephone number, email address or mobile phone number last notified, or via our Website.

Key words

The meanings of key words used in these terms are explained in Part G. All capitalised phrases used but not defined in these terms have the meaning given in the Rules.

Part A – The Loan

1 Using the Loan

- 1.1 If we approve your Application, we will make the Loan available to you on these terms.

What Drawdowns can be used for

- 1.2 A Drawdown must be used:
- (a) to purchase Approved Assets;
 - (b) to refinance a loan that was used wholly or predominantly to purchase Approved Assets;
 - (c) to pay any amount you owe ASX Clear or your broker in connection with an Options Transaction (including any margin or security requirements); or
 - (d) for any other business or investment purpose we approve.
- 1.3 A Drawdown cannot be used wholly or predominantly for a Code Purpose.

- 1.4 If you use a Drawdown to purchase Approved Assets they must be held as directed by us.

- 1.5 If you use a Drawdown to purchase managed funds, you:
- (a) may not give instructions to the responsible entity of the managed fund; and
 - (b) must take any steps we request to ensure that the responsible entity will act on our instructions.

How to request a Drawdown

- 1.6 You may request multiple Drawdowns under the Loan up to the lower of the Credit Limit or the Portfolio Security Value.
- 1.7 A request for a Drawdown may be made in any of the following ways (or in any other way that we agree):

How to request a Drawdown	The amount of the Drawdown	How we pay a Drawdown
You can request a Drawdown by providing us with a Contract Note at least 2 Business Days before the settlement date shown in the Contract Note.	The amount of the Drawdown is the amount shown in the Contract Note as owing by you.	We pay the Drawdown by providing funds directly to the broker shown in the Contract Note on the settlement date.
If you have an online account with us, you can request a Drawdown by giving us an instruction to buy Approved Assets through that online account.	The amount of the Drawdown is the amount shown in the Contract Note as owing by you.	We pay the Drawdown by providing funds directly to the broker shown in the Contract Note on the settlement date.
You can request a Drawdown to refinance an existing loan that was used wholly or partly to purchase Approved Assets by sending us a written instruction. Your request must include details of the loan to be refinanced and the Approved Assets acquired with that loan.	The amount of the Drawdown is the amount approved by us.	We pay the Drawdown to the institution that provided the existing loan being refinanced.
If you have a Regular Geared Savings Plan, a request for a Drawdown is taken to have been made each time an ANZ Monthly Contribution is made.	The amount of the Drawdown is the amount of the ANZ Monthly Contribution.	We pay the Drawdown by transferring funds to the Cash Management Account in accordance with clause 6 (Regular Geared Saving Plan).
In all other circumstances, you can request a Drawdown by contacting us via our Website, email or telephone.	The amount of the Drawdown is the amount we approve (if any).	We pay the Drawdown in the manner agreed with you.

How we accept a request for a Drawdown

- 1.8 We accept a request for a Drawdown by paying the amount of the Drawdown in accordance with the table above.
- 1.9 You acknowledge that:
- (a) a request for a Drawdown is an irrevocable instruction to pay the amount of the Drawdown in accordance with the table above; and
 - (b) we may assume that you have authorised a request received from an Authorised Person and are not required to confirm the request with you.

When we may refuse to make a Drawdown

- 1.10 We may refuse your request for a Drawdown if:
- (a) an Event of Default has occurred;
 - (b) the Drawdown would cause the Amount Owing to exceed the Credit Limit or the Portfolio Security Value;
 - (c) you request a Drawdown of less than a minimum amount we determine (which may change at any time);
 - (d) we have not received any document or information we reasonably require, in a form satisfactory to us (including, if you are an individual, any document or other information that we require to satisfy ourselves that a Drawdown will not be used for a Code Purpose or to refinance an existing loan that was used for a Code Purpose);
 - (e) we have asked you to repay the Amount Owing;
 - (f) your request relies on the proceeds of an unsettled sale transaction in CHES;
 - (g) we consider that there is Unusual Market Volatility; or
 - (h) for any other reason that we determine.
- 1.11 We may still choose to accept your request if any of the circumstances described above apply.
- 1.12 We will take reasonable steps to tell you promptly if we refuse your request.

2 Interest

What interest rate applies to the Loan Balance or other amounts owing

- 2.1 A variable interest rate will apply to the Loan Balance unless we agree that a fixed interest rate applies to a part of the Loan Balance.
- 2.2 You must pay us interest in accordance with the 'Variable interest' clause and, if applicable, the 'Fixed interest' clause.
- 2.3 We may also charge interest on any other amount owing in connection with the Loan or these terms (such as unpaid interest, fees and charges) from (and including) the date that relevant amount becomes payable.
- 2.4 Information on current standard interest rates is available from us on request. This information is also on our Website.

Variable interest

- 2.5 In relation to the part of the Loan Balance to which a variable interest rate applies:
- (a) we may change the variable interest rate at any time. We will notify you as required by law or any code to which we subscribe of a change in the interest rate;
 - (b) interest will be calculated daily on the part of the Loan Balance to which the variable interest rate applies and accrue monthly from the first Drawdown;
 - (c) unless we have agreed otherwise, we will add the accrued interest to the Loan Balance monthly. If adding the accrued interest to the Loan Balance would cause the Loan Balance to exceed the Credit Limit, you must immediately pay us the accrued interest; and
 - (d) if we have agreed to debit an amount from a nominated account on a monthly basis in payment of the interest accrued on the Loan Balance for that month and that amount does not cover all of the accrued interest for that month, we will add the shortfall to the Loan Balance. If adding the shortfall to the Loan Balance would cause the Loan Balance to exceed the Credit Limit, you must immediately pay us the shortfall.

Fixed interest

- 2.6 If we have agreed to fix the interest rate on a part of the Loan Balance:
- (a) during the agreed fixed rate period the interest rate on this part of the Loan Balance will remain fixed at the agreed fixed interest rate;
 - (b) interest on this part of the Loan Balance will be calculated at the beginning of the agreed fixed interest rate period on the part of the Loan Balance to which the fixed interest rate applies;
 - (c) you must pay the interest in advance for the fixed rate period unless we agree otherwise. If you repay (or are required to repay) the Loan early, we will refund part of the prepaid interest proportionate to the unexpired period in respect of which the interest has been prepaid, but you must pay us our early repayment costs (see clause 5). We may deduct any early repayment costs and charges from the interest refund (but you must still pay them if they exceed the refund amount); and
 - (d) unless you have asked us on or before the last day of the fixed rate period to fix the interest rate for a further period, at the end of the fixed rate period, the interest rate applicable to the fixed interest rate part of the Loan Balance automatically converts to the variable interest rate applicable at that time and the 'Variable interest' clause will apply.

Other amounts added to the Loan Balance

2.7 We may add to the Loan Balance (if it is not already part of the Loan Balance) any amount (including interest, fees and charges) which has become due for payment under these terms at any time. These amounts will accrue interest at the variable interest rate applicable at that time. If this means that a Margin Call occurs, you must then comply with the clause 'What you must do if a Margin Call occurs'. If you do not want these amounts to remain part of the Loan Balance, you can pay the amounts to us at any time.

3 Your Portfolio Security Value

The importance of how we value your Portfolio

3.1 The value of the assets that make up your Portfolio is important because it affects whether you will receive a Margin Call. In these terms the value we give to an Approved Asset is referred to as its Security Value.

How we value your Portfolio

3.2 We determine your Portfolio Security Value by adding together the Security Value of each Approved Asset in your Portfolio.

Warning: The Security Value of an Approved Asset in your Portfolio may not represent the Market Value.

3.3 You acknowledge that the Portfolio Security Value is determined by us in our absolute discretion.

Calculation of the Security Value of an Approved Security in a Diversified Portfolio

3.4 In calculating the Security Value of an Approved Security in a Diversified Portfolio:

(a) you understand and acknowledge that the Security Value is determined by us in our absolute discretion;

(b) We will calculate the Security Value as follows:

Approved Security's Market Value	x	Approved Security's Diversified LVR
----------------------------------	---	-------------------------------------

(c) the diversified portion of your Portfolio ("**Diversified Portfolio**") is determined by us with reference to:

- (i) your portion of your Portfolio that complies with the Minimum Number of Approved Securities requirement;
- (ii) the requirement that no Approved Security within the Diversified Portfolio can exceed the Maximum Approved Security Percentage; and
- (iii) the requirement that Restricted Securities cannot account for more than the Maximum Restricted Securities Percentage within the Diversified Portfolio.

(d) if you do not meet the requirement in 3.4(c)(i), the Approved Securities will be excluded from the Diversified Portfolio and clause 3.6 will apply; and

(e) if clauses 3.4(c)(ii) or (iii) apply, the Approved Securities in excess of those limits will be excluded from the Diversified Portfolio and clause 3.6 will apply.

Limitations on Approved Securities within a Diversified Portfolio

3.5 If you have a Diversified Portfolio:

(a) where more than one Security in your Diversified Portfolio is issued by the same issuer (for example, fully paid ordinary shares, preference shares or hybrid securities issued by the issuer), these will be counted together as one Approved Security;

(b) your Linked Investment Account and securities where you hold Call Options or Put Options over them (including any Call Options or Put Options held) within your Portfolio will not be included in your Diversified Portfolio; and

(c) you understand that we may in our absolute discretion, apply a different Diversified LVR to some or all of your holdings or determine that for your Portfolio, an Approved Security is a Restricted Security. This may apply even if the restrictions do not apply to any of our other customers.

Calculation of the Security Value of an Approved Security that is not a Diversified Portfolio

3.6 The Security Value of an Approved Security (that does not form part of a Diversified Portfolio), is calculated as follows:

Approved Security's Market Value	x	Approved Security's Standard LVR
----------------------------------	---	----------------------------------

Calculation of the Security Value of any credit balance in the Linked Investment Account

3.7 The Security Value of the credit balance in a Linked Investment Account is the amount of the credit balance.

Calculation of Security Value where Put Option or Call Option

3.8 If you or a Guarantor have bought a Put Option, where you hold the equivalent number of the underlying security, and it is an Approved Option Transaction:

(a) the Put Option's Security Value is calculated as follows:

Exercise price	x	(Number of contracts x securities per contract)
----------------	---	---

(b) the Standard LVR or Diversified LVR (as applicable) that will apply to the Approved Securities that are subject to that Put Option is 0 per cent for the duration of the Put Option. This means that any Approved Securities that are subject to a Put Option are not included in determining your Portfolio Security Value.

3.9 If you, or a Guarantor have sold a Call Option that is an Approved Option Transaction your Portfolio Security Value is reduced by the Option Margin plus the cost of buying back the Call Option(s).

Changes that may affect the Portfolio Security Value

3.10 We may, at any time:

- (a) remove an Approved Asset from the approved list;
 - (b) change the Standard LVR or Diversified LVR (including by reducing the percentage or value attributed to an Approved Security to zero); or
 - (c) change the way in which we value an Approved Asset,
- as we determine necessary having regard to a range of factors including:
- (d) changes or anticipated changes in the Market Value of the Approved Asset; or
 - (e) our internal risk assessment policies.

This may result in a Margin Call.

3.11 We will notify you of changes to the Approved Asset list and the Standard LVR or the Diversified LVR.

Delay in updating Portfolio Security Value

3.12 If you acquire Approved Assets using a Drawdown it may take time to include the Security Value of those Approved Assets in the Portfolio Security Value. It may also not be possible to place subsequent trades during this period.

4 Margin Calls

When we will make a Margin Call

- 4.1 You must make sure that the Amount Owing is never more than the sum of the Portfolio Security Value and the Buffer Amount.
- 4.2 If the Amount Owing becomes more than the sum of the Portfolio Security Value and the Buffer Amount, your Loan is in "Margin Call".
- 4.3 In determining whether a Margin Call occurs, we need not take into account credit balances in other accounts which you may have (other than the Linked Investment Account) before taking action under this clause. You understand that if you want credit balances in other accounts to be taken into account in determining whether a Margin Call occurs or to meet a Margin Call it is your responsibility to transfer those credit balances either to the Linked Investment Account or to reduce the Amount Owing.

How we will notify you of a Margin Call

4.4 We take reasonable steps to advise you if a Margin Call has occurred as soon as practicable. We can do so by telephone, SMS, email or any other method of communication we agree with you. If we have agreed with you and an Authorised Person that the Authorised Person will receive communications relating to Margin Calls on your behalf then we take reasonable steps to advise the Authorised Person if a Margin Call has occurred. The Authorised Person is responsible for taking reasonable steps to notify you of the Margin Call.

Warning: It is your responsibility to make sure that ANZ Investment Lending has your (and each Authorised Person's) current telephone number, address, email address and mobile number (including for SMS). ANZ Investment Lending can be contacted to update these details by calling 1800 639 330.

Why a Margin Call may occur

4.5 A Margin Call can occur for a variety of reasons. They include:

- (a) because the Market Value of an Approved Security has decreased;
- (b) because we have decided that an asset in the Portfolio is no longer an Approved Asset;
- (c) because we have changed the Standard LVR or the Diversified LVR for an Approved Security;
- (d) because we have changed the Buffer Ratio used to calculate the Buffer Amount. We may change the Buffer Ratio at any time. The reasons we may change the Buffer Ratio include (but are not limited to) changes to our view of the market risk of providing the Loan to you and taking the Security. We will notify you as required by law or any code to which we subscribe of a change in the Buffer Ratio;
- (e) if you have a Diversified Portfolio, because we have decided that an Approved Security is a Restricted Security;
- (f) if you no longer have a Diversified Portfolio because we have:
 - (i) decided that an Approved Security is a Restricted Security;
 - (ii) changed the Minimum Number of Approved Securities required;
 - (iii) changed the Maximum Restricted Securities Percentage; or
 - (iv) changed the Maximum Approved Security Percentage.
- (g) if you no longer have a Diversified Portfolio because you sell, transfer or otherwise deal with an Approved Security in a manner that results in:
 - (i) the Portfolio no longer meeting the Minimum Number of Approved Securities; or
 - (ii) any Approved Security in the Portfolio accounting for more than the Maximum Approved Security Percentage.

What you must do if a Margin Call occurs

4.6 If a Margin Call occurs, you must immediately ensure that the Amount Owing is reduced to an amount which is not greater than the Portfolio Security Value. The amount required to achieve this is set out in the Margin Call Notice. You must do one or more of the following things to achieve this reduction:

- (a) repay (from your own funds) the part of the Amount Owing specified in the Margin Call Notice;

- (b) deposit money into the Linked Investment Account;
- (c) provide us with additional Collateral or other Security Interests in form and substance acceptable to us;
- (d) arrange to sell some or all of your Portfolio, and use the net proceeds to reduce the Amount Owing or credit them to the Linked Investment Account; or
- (e) if you no longer have a Diversified Portfolio, make changes to the Portfolio to ensure that you again have a Diversified Portfolio.

Warning: Market movements do not rectify a Margin Call. You must take action in accordance with this clause.

What we can do if you do not meet a Margin Call

- 4.7 If, for any reason (whether or not it is in your control), you do not comply with clause 4.6 (What you must do if a Margin Call occurs) by close of trading on ASX on the next Trading Day (unless the Margin Call notice dictates otherwise) after we give you a Margin Call Notice, we may take all steps we consider necessary to sell any part of your Portfolio that we choose and apply the proceeds to reduce the Amount Owing.
- 4.8 In selling any Approved Assets in your Portfolio:
- (a) we may:
 - (i) sell more of your Portfolio than is necessary to reduce the Amount Owing to equal to or less than the Portfolio Security Value;
 - (ii) determine what to sell;
 - (iii) sell from one or more of your holdings;
 - (iv) sell in tranches over time (including selling tranches over more than one day); and
 - (v) sell your Approved Assets together with other property of the same type belonging to third parties.
 - (b) we will take reasonable care to sell the Approved Assets for not less than the Market Value (or if the asset does not have a Market Value the best price that is reasonably obtainable having regard to the circumstances existing when the Approved Asset is sold).

5 Repayments

Use of proceeds from sale of Approved Assets to make repayments

- 5.1 If you sell any Approved Assets from your Portfolio, the money received at settlement will be applied to the Loan Balance that is not subject to a fixed rate (this may result in your Loan Balance being in credit).

When we may require you to repay

- 5.2 We may require you to repay all (or part) of the Amount Owing:
- (a) on demand, if there is Unusual Market Volatility;
 - (b) in accordance with clause 4 (When we will make a Margin Call);
 - (c) on demand, if the Amount Owing exceeds the Credit Limit; or
 - (d) in accordance with Part D (Events of Default, termination and enforcement).

Warning: If you do not pay the Amount Owing at the time required by this clause, we may exercise our rights against you, the Guarantors and the Collateral (see Part D (Events of Default, termination and enforcement)).

Voluntary early repayment

- 5.3 You may elect to repay all (or part of) the part of the Loan Balance that is subject to a variable rate at any time without notice to us.
- 5.4 You may request to repay all (or part of) the part of the Loan Balance that is subject to a fixed interest rate. If we receive a request to repay under this clause before midday on a Business Day, we will action that request on the same Business Day. Otherwise, this request will be actioned on the next Business Day.

Early repayment costs

Warning: Early repayment costs can be very large. Before making an early repayment on that part of the Loan Balance that is subject to a fixed rate during a fixed rate period, you should ensure that you have an understanding of the likely early repayment cost. If you ask, we can give you an estimate of the likely cost, but the actual cost will be determined on the day that the early repayment event occurs.

- 5.5 You may be required to pay us an early repayment cost and early repayment administration fee (see the ANZ Share Investment Loan Fees & Charges Schedule on our Website) if:
- (a) you elect to repay all (or part of) the part of the Loan Balance to which a fixed rate applies before the end of the fixed rate period;
 - (b) we agree to change a fixed rate to a variable rate before the end of the fixed rate period; or
 - (c) we require you to repay (all or part) of the part of the Loan Balance to which a fixed rate applies before the end of the fixed rate period.
- 5.6 The early repayment cost (if any) that is payable by you, is calculated using a pre-set methodology under which we estimate the loss or cost that we expect to incur as a result of the early repayment and its likely effect on the cost of our ongoing funding arrangements.

- 5.7 The size of the early repayment cost that becomes payable by you (if any) will vary according to:
- (a) the size of the early repayment;
 - (b) the remaining term of the current fixed rate period applicable to the Loan Balance; and
 - (c) the amount that interest rates have moved since the start of the current fixed rate period applicable to that part of the Loan Balance.
- 5.8 The method of calculating the early repayment cost is not necessarily linked to any actual transaction that we may enter into (either before or at the time of the early repayment).
- 5.9 Calculation of any early repayment cost does not take into account the balance of any Linked Investment Account.
- 5.10 We need not pay you any early repayment benefits.

Repayment of a Joint Loan

- 5.11 To avoid doubt, if you are a Borrower in respect of a Joint Loan:
- (a) each of you is liable for the entire Amount Owing;
 - (b) except to the extent any of you have a right conferred by the Code of Banking Practice, none of you can otherwise withdraw from, end or limit the Loan; and
 - (c) your rights in respect of the Joint Loan as conferred by the Code of Banking Practice include the right to terminate your liability with respect to future advances or financial accommodation to be made under the Loan, by giving us written notice. If you give us written notice to this effect, we may choose not to provide further Drawdowns under the Loan.

6 Regular Geared Savings Plan

This clause applies if you have requested, and we have approved, a Regular Geared Savings Plan.

What we do on Approval

- 6.1 You must provide the Initial Equity Contribution and Your Monthly Contribution on the dates notified to you.
- 6.2 We will provide the ANZ Monthly Contribution on the same date as Your Monthly Contribution unless:
- (a) you have not provided the Initial Equity Contribution;
 - (b) an Event of Default has occurred;
 - (c) the ANZ Monthly Contribution would cause the Amount Owing to exceed the Credit Limit or the Portfolio Security Value;
 - (d) Your Monthly Contribution is not made, or the direct debit from your Nominated Account is rejected; or
 - (e) we consider that continuing to make the ANZ Monthly Contribution may cause us loss.

The ANZ Monthly Contribution is a Drawdown and will be added to your Loan Balance.

- 6.3 The ANZ Monthly Contribution and Your Monthly Contribution (together the Total Monthly Contribution) must be used to acquire Approved Securities.
- 6.4 We will open a Cash Management Account in your name. The Cash Management Account does not earn interest and must be used solely for the purpose of your Regular Geared Savings Plan.
- 6.5 We will cancel any regular investment plan you may have with a fund manager that you have instructed us to invest with under your Regular Geared Savings Plan.
- 6.6 You may change the amount of, or cancel, the Total Monthly Contribution by giving us at least 20 Business Days' notice.
- 6.7 If you want to suspend Your Monthly Contributions you must ask us to do so before the last Business Day of the calendar month immediately preceding the first month you wish to suspend. If we approve, you may suspend Your Monthly Contributions:
- (a) for no more than a 4 calendar month period; and
 - (b) once every 12 months.
- 6.8 We may give the details of your Cash Management Account to any fund manager under your Regular Geared Savings Plan.
- 6.9 We may change or cancel any investment plan that you have with a fund manager under your Regular Geared Savings Plan, if:
- (a) you change or cancel the Total Monthly Contribution; or
 - (b) we do not make an ANZ Monthly Contribution.

7 Linked Investment Account

We will open a Linked Investment Account for you

- 7.1 You authorise us to open a Linked Investment Account in our name as nominee for you. The Linked Investment Account will be used:
- (a) to receive the net proceeds from the sale of Approved Assets in your Portfolio acquired using a Drawdown that forms part of a fixed rate portion of the Loan Balance during the fixed rate period; and
 - (b) to receive and hold any cash collateral you provide.
- 7.2 The operation of your Linked Investment Account will be governed by the terms and conditions for that account, which we will provide separately to you.

Restrictions on withdrawals and account closure

- 7.3 You may withdraw money from your Linked Investment Account at any time by telephone or written request to us, provided that:
- (a) the Amount Owing does not exceed the Portfolio Security Value or the Credit Limit both before and after any withdrawal; and
 - (b) no Event of Default exists (before the withdrawal) or would occur or be likely to occur (after the withdrawal).

7.4 Despite any other terms which may apply to the Linked Investment Account, we will not close your Linked Investment Account until:

- (a) we have received all of the Secured Money; and
- (b) we are satisfied that we will not be asked to refund any of the Secured Money to a trustee in bankruptcy, a liquidator or any other person.

Positive Loan Balance sweep

7.5 Unless you ask us to do otherwise, if the Loan Balance is positive (a credit balance), we may transfer the balance to the Linked Investment Account by 5.00pm on each Business Day.

Linked Investment Account sweep

7.6 You may give us a standing instruction to transfer any available funds in the Linked Investment Account to reduce your Loan Balance. If you do so, when there is a positive balance in the Linked Investment Account and funds owing under a part of the Loan Balance to which a variable interest rate applies, the funds in the Linked Investment Account may be applied to reduce this part of the Loan Balance. This will be done at 5.00pm on every Business Day until the standing instruction is revoked. You may revoke the standing instruction at any time.

8 Option Transactions

8.1 You may only enter into an Option Transaction in accordance with this clause 8 and if all of the following conditions are, or will be, satisfied:

- (a) the Option Transaction will occur on an Approved Market;
- (b) the Option Transaction is an Approved Option Transaction;
- (c) the broker used for the Option Transaction has been approved by us and has entered into any agreement required by us or the Rules;
- (d) you have provided any information or documents required by us or the Rules;
- (e) no Event of Default has occurred;
- (f) the Option Transaction will not result in the Amount Owing exceeding the Credit Limit or the Portfolio Security Value (this may occur because of the impact of the Option Transaction on your Portfolio Security Value); and
- (g) you have paid the fees (if any) and our Costs in connection with us allowing you to enter into an Option Transaction.

8.2 Subject to clause 8.1, you may:

Type of Option Transaction	...if
Buy a Put Option	the Put Option forms part of the Collateral.
Sell a Call Option without buying a Put Option over the same Approved Security	the Call Option is out of or at the money on the date of the sale.
Sell a Call Option and buy a Put Option over the same Approved Security	the Call Option has an: <ul style="list-style-type: none"> • exercise price greater than the Put Option protected price; and • expiry date before the Put Option protection expires.
Any other Option Transaction	you have Approval from us to enter into the Option Transaction.

In these terms we refer to these Option Transactions as 'Approved Option Transactions'.

8.3 You acknowledge that:

- (a) you must hold the Approved Securities over which you sell a Call Option;
- (b) you must satisfy the above conditions for each Option Transaction;
- (c) each Option Transaction must be entered into by you in the same name as the name in which you applied for the Loan;
- (d) any premium or other income payable in connection with an Option Transaction must be applied to reduce the Amount Owing;
- (e) if under an Option Transaction you sell a Call Option over assets traded on an Approved Market that form part of the Collateral, you authorise us to lodge the assets with ASX Clear if required by your broker or ASX Clear;
- (f) if we or your broker requests, you must deposit or lodge with your broker acceptable collateral to enable your broker to meet its obligations under the Rules in relation to the Option Transaction;
- (g) you direct us to make further Drawdowns when, and in the amount, required in order to meet your obligations in relation to an Option Transaction. Any such advance will be added to your Loan Balance;
- (h) we may give instructions to your broker in relation to your Option Transaction including to close out a position. You must not give any instruction that is inconsistent with our instructions;
- (i) you must not provide anyone with any rights over assets that form part of the Collateral that have been lodged with ASX Clear or the broker; and
- (j) we may at any time limit or impose conditions on your dealing in options that relate to assets that form part of the Collateral.

Part B – Security terms

In this Part B, and in any definition to which this Part B refers, a reference to “you” means each of you as Borrower and each Guarantor that gives a Security Interest.

9 The Security

Grant of Security Interest

9.1 You grant a security interest in the Collateral to us to secure payment for the Secured Money. The security interest is a fixed charge.

This security interest takes effect:

- (a) in the case of assets that after the date of this security interest we direct or accept as ‘Collateral’, on the date of that direction or acceptance;
- (b) in the case of Approved Securities that you purchase or refinance after the date of this security interest using (in whole or in part) a Drawdown, on the date of purchase or re-financing;
- (c) in the case of New Rights acquired after the date of this security interest, on the date you become entitled to them;
- (d) in the case of any Linked Investment Account established after the date of this security interest, on the date it is established; and
- (e) in the case of an Option Transaction entered into after the date of this security interest, on the date the Option Transaction is entered into.

Payment of the Secured Money

9.2 You must pay the Secured Money at the times you and we agree. However, if either:

- (a) there is no such agreement; or
 - (b) an Event of Default is continuing,
- you must pay it when we demand it.

Dealing with the Collateral

9.3 You must not do or agree to do, any of the following unless permitted to do so by a provision in these terms, or we otherwise give prior consent:

- (a) create or allow another Security Interest in any Collateral;
- (b) sell or otherwise dispose, or part with possession, of any Collateral;
- (c) give control of the Collateral to any person other than us;
- (d) request or consent to the removal of any Collateral from the register on which it is recorded or registered;
- (e) change the sponsoring participant to a person other than the Sponsor for any assets that form part of the Collateral and are capable of being held in CHESS;

(f) abandon, settle, compromise or discontinue or become nonsuited in respect of any proceedings against any person (other than us) in respect of any of your rights in connection with the Collateral; or

(g) waive any of your rights or release any person from their obligations in connection with the Collateral.

9.4 If we consent to a sale of any Collateral you must apply the proceeds in accordance with clause 5.1 or otherwise as we direct.

Other obligations relating to the Collateral

9.5 You must:

- (a) comply with all laws and requirements of authorities affecting the Collateral;
- (b) pay on time all amounts for which you are responsible as owner of the Collateral (including calls and instalments);
- (c) enter into and maintain satisfactory arrangements to ensure that you cannot transfer or otherwise deal in the Collateral without our consent;
- (d) not give any instructions to the Sponsor unless we have agreed that you may give those instructions; and
- (e) give the Sponsor instructions regarding the Collateral that we tell you to (and you authorise us and make arrangements with the Sponsor to allow us) to give the Sponsor instructions directly which are binding on the Sponsor (without the Sponsor being liable to you for release of Approved Assets).

9.6 If you do not do any of these things, then without limiting any other rights we may have, we need not advance to you any further funds under these terms.

Release of Security Interest

9.7 If you ask, we will release our interest in the Collateral if:

- (a) the Secured Money is paid in full; and
- (b) no Event of Default is continuing.

9.8 We may release any assets that we want to exclude from the Collateral.

Part C – Nominee arrangements

In this Part C, and in any definition to which this Part C refers, a reference to “you” means each of you as Borrower and each Guarantor that gives a Security Interest.

10 Appointment of the nominee

- 10.1 We may establish a Nominee Account on your behalf. If we open a Nominee Account, you appoint the Nominee to hold any securities that we direct (including securities subject to a Corporate Action) as nominee on the terms set out in this Part C.

11 Terms of appointment

Rights of Nominee

- 11.1 You authorise and direct the Nominee to:
- (a) deposit or cause to be deposited with us all certificates relating to certificated securities, New Rights and any other securities which are held (or which upon registration in the Nominee’s name will be held) by the Nominee as your nominee;
 - (b) take up or exercise or otherwise deal with (as the case may require) any New Rights as your nominee;
 - (c) give us and any of our officers a power of attorney for the purposes of us perfecting, enforcing or exercising its rights under the Security; and
 - (d) take any step required by us to enable us to exercise our rights under these terms.

Payment of amounts to Nominee

- 11.2 You must pay the Nominee the amount of all fees which the Nominee may charge for acting as nominee and all liabilities, losses and Costs whatsoever which the Nominee may suffer or incur or is to suffer or incur in acting as your nominee and which are not paid by us. These include amounts in respect of calls or instalments on any securities registered in the Nominee’s name. You do not have to pay amounts that result from the fraud by, or gross negligence of, the Nominee.

Application of money

- 11.3 In addition to any other rights which the Nominee may have, the Nominee may apply money held by it as your nominee in or towards satisfaction of any amount owing by you to the Nominee.

Dealings in securities

- 11.4 The Nominee must not, without our consent, comply with your instructions to transfer or otherwise dispose of or deal with any securities to your benefit or to the benefit of any other person if those securities are subject to a Security Interest in favour of us. We agree to provide that consent if you direct the broker or other relevant person to pay the proceeds of the transfer, disposal or other dealing to us in reduction of the Secured Money to the extent we require.

Rights subject to Security

- 11.5 You acknowledge that your rights in connection with these nominee arrangements are subject to our rights under the Security. For example, we may, as your attorney or otherwise under the Security, give the Nominee instructions in relation to any of the Collateral that is held or controlled by the nominee.
- 11.6 The instructions we may give include instructions in relation to sending any message or communication by which the Collateral can be transferred or otherwise dealt with.
- 11.7 The Nominee must act on our instructions without seeking your consent (even if they contradict instructions that you have given or give later) and you may not challenge the validity of those instructions or any action taken by the Nominee in accordance with those instructions.

Your rights

- 11.8 Until we declare that the Secured Money is due and payable, you are entitled to exercise all rights, including voting rights, in connection with the securities held by the Nominee. After we declare that the Secured Money is due and payable, these rights may only be exercised by the Nominee at our direction.

Information

- 11.9 You direct the Nominee to use its best endeavours to forward copies of all notices and other information received by it as the registered holder of securities in accordance with these terms to you promptly upon receipt. However, the Nominee’s failure to forward information or your failure to receive it does not affect the rights and obligations of the Nominee, us or you under the Security. The Nominee is directed to pay all dividends in respect of the securities to you as soon as possible after receipt by the Nominee until we declare that the Secured Money is due and payable.

Termination of appointment

- 11.10 The appointment of the Nominee as your nominee continues until the Nominee receives written notice from you of termination of its appointment. To be effective, a notice of termination of appointment must be endorsed by us. Termination does not affect any rights or obligations arising under these terms prior to termination.

Part D – Events of Default, termination and enforcement

12 Events of Default

Events of Default

12.1 An 'Event of Default' occurs if:

- (a) the Borrower does not pay us the Amount Owing in accordance with clause 5.2 (When we may require you to repay);
- (b) the Borrower fails to meet a Margin Call in accordance with clause 4 (When we will make a Margin Call);
- (c) the Borrower does not pay interest, fees or other amounts due under clause 2 (Interest);
- (d) you do not pay any amount due under clause 19 (Fees and costs) in accordance with these terms;
- (e) you do not pay an amount due under Part E (Sponsorship terms);
- (f) a Guarantor does not pay on time any amount which it must pay under the Guarantee;
- (g) you or we have terminated these terms and you have not paid us the Amount Owing;
- (h) you breach any other material provision of these terms or breach any provision of these terms in a material way;
- (i) any representation or warranty that you give in these terms is untrue or misleading (whether by omission or otherwise) in any material respect when made or repeated;
- (j) you are or become Insolvent, or any event occurs or any step is taken that might result in you being Insolvent;
- (k) all or any provision of these terms:
 - (i) does not have effect or ceases to have effect in accordance with its terms; or
 - (ii) is or becomes void, voidable, illegal or unenforceable,
 - or you claim any of the matters referred to above to be the case;
- (l) you die or become a person who, in our opinion, is incapable of managing his or her affairs; or
- (m) any event occurs that in our opinion causes, or may cause, a Material Adverse Effect.

Our rights after an Event of Default

12.2 After an Event of Default, we may (in addition to our rights under clause 4 (When we will make a Margin Call):

- (a) by notice to you, declare that the Amount Owing is due and payable, in which case you must immediately pay the Amount Owing to us;
- (b) terminate the Loan;
- (c) sell the Collateral;

- (d) do all things necessary to close out any options position that relates to an asset that forms part of the Collateral (at your expense) and sell the assets to which it relates;
- (e) give instructions to any Intermediary (as defined in the PPSA) or any other person in connection with the property, including, instructions by which the Collateral can be transferred or otherwise dealt with;
- (f) exercise any other right (including voting rights) that the law gives to a holder, secured party, mortgagee, chargee or owner of Collateral with the same characteristics;
- (g) receive any dividends, interest or other income payable by the issuer of any of the Collateral;
- (h) register the Collateral in our name (or our nominee's name) and deal with the Collateral in the same way as you could do if the Collateral were not subject to the Security;
- (i) take possession of the Collateral by doing anything that the law regards as equivalent to actually taking possession. We can take possession of all the Collateral by taking possession of part of it. If we take possession of the Collateral, we can withdraw from possession later; or
- (j) do anything which we think is necessary or desirable for any of these purposes.

12.3 We may do these things in your name or our name. We need not tell you first.

12.4 We can exercise our rights immediately after an Event of Default or later.

What we can do if we decide to sell the Collateral

12.5 We have complete discretion about selling the Collateral. In particular, we can:

- (a) sell it all at once or at different times;
- (b) sell it on market, by public auction, private contract or tender;
- (c) sell it at any price, and on any terms;
- (d) buy the Collateral ourselves at an auction under this clause;
- (e) vary or bring to an end any contract of sale;
- (f) reserve any of the Collateral for any purpose; and
- (g) sell the Collateral we have with other property. It does not matter who owns the other property, or whether we have Security Interest over it. We may sell them under one contract at one price, or under different contracts at different prices.

12.6 If we sell the Collateral with other property we may also divide up the Costs of sale, and the purchase price, between the property sold.

We can always exercise our rights

- 12.7 After an Event of Default, we may exercise any of our rights even though:
- (a) we have accepted money after an Event of Default;
 - (b) we have negotiated with you after an Event of Default; or
 - (c) we hold (either then or later) any other Security Interest for the Secured Money.

13 Statutory powers and notices

In this clause 13, and in any definition to which this clause 13 refers, a reference to “you” means each of you as Borrower and each Guarantor.

Exclusion of PPSA provisions

- 13.1 To the extent the law permits:
- (a) for the purposes of section 115(1) and 115(7) of the PPSA:
 - (i) we need not comply with sections 95, 118, 121(4), 125, 130, 132(3)(d) or 132(4); and
 - (ii) sections 142 and 143 are excluded;
 - (b) for the purposes of section 115(7) of the PPSA, we need not comply with sections 132 and 137(3);
 - (c) if the PPSA is amended after the date of these terms to permit you and us to agree to not comply with or to exclude other provisions of the PPSA, we may notify you that any of these provisions is excluded, or that we need not comply with any of these provisions as notified to you by us; and
 - (d) you agree not to exercise your right to make any request of us under section 275 of the PPSA, to authorise the disclosure of any information under that section or to waive any duty of confidence that would otherwise permit non-disclosure under that section.

Exercise of rights by us

- 13.2 If we exercise a right, power or remedy in connection with these, that exercise is taken not to be an exercise of a right, power or remedy under the PPSA unless we state otherwise at the time of exercise. However, this clause does not apply to a right, power or remedy which can only be exercised under the PPSA.

No notice required unless mandatory

- 13.3 To the extent the law permits, you waive:
- (a) your rights to receive any notice that is required by:
 - (i) any provision of the PPSA (including a notice of a verification statement); or
 - (ii) any other law before a secured party or receiver exercises a right, power or remedy; and
 - (b) any time period that must otherwise lapse under any law before a secured party or receiver exercises a right, power or remedy.

- 13.4 If the law which requires a period of notice or a lapse of time cannot be excluded, but the law provides that the period of notice or lapse of time may be agreed, that period or lapse is one day or the minimum period the law allows to be agreed (whichever is the longer).

- 13.5 However, nothing in this clause prohibits us or any receiver from giving a notice under the PPSA or any other law.

14 Termination

- 14.1 In addition to our rights under clause 12 (Events of Default), we may terminate these terms at any time by giving you at least 5 Business Days’ notice. We may do so even if there is no Event of Default.
- 14.2 You may terminate these terms at any time by giving us at least 20 Business Days’ notice.

Warning: If you do so and a fixed rate applies to part of the Loan Balance you must pay us any early repayment costs and an early repayment administration fee (see “Voluntary early repayment” above).

- 14.3 If either you or we terminate in accordance with this clause, you must immediately pay us the Amount Owing.
- 14.4 These terms continue to operate until you have paid the Amount Owing despite the prior termination.

Part E – CHESS Sponsorship terms

In this Part E, and in any definition to which this Part E refers, a reference to “you” means each of you as Borrower and each Guarantor that gives a Security Interest.

Explanation of CHESS Sponsorship Terms

CHESS is a system of electronic registration of shareholders in listed companies. Under CHESS there are no share certificates and transfers of securities are made electronically.

Only persons admitted as participants have access to CHESS. This means that to have your securities registered in CHESS you must be sponsored by a participant.

ANZ Margin Services Pty Ltd (the Sponsor) is admitted as a participant in CHESS and these terms set out the basis on which they will sponsor the Collateral that is able to be held in CHESS.

The CHESS Sponsorship Terms contain the standard sponsorship provisions required by the settlement rules of ASX Settlement (one of the bodies responsible for the operation of CHESS).

These terms also contain special provisions to better protect us if you do not meet your obligations under these terms. In particular, the Sponsor will only transfer or deal with the Collateral at our direction or with our consent.

If you have any queries about the CHESS Sponsorship Terms, or you do not fully understand any of the terms, please contact us via our Website before you sign the Application.

15 Acknowledgement

15.1 You acknowledge that:

- (a) the Sponsor has provided you with an explanation of the effect of the CHESS Sponsorship Terms;
- (b) you have read and understood the CHESS Sponsorship Terms and the Sponsor’s explanation of the effect of the CHESS Sponsorship Terms;
- (c) you have sought appropriate advice if you have any queries; and
- (d) by signing the Application, you are taken to have expressly instructed the Sponsor not to provide you with an executed copy of the CHESS Sponsorship Terms (although you may ask us to provide you with a copy executed by us).

Appointment of the Sponsor as your Sponsoring Participant

15.2 You appoint the Sponsor as your Sponsoring Participant for the Sponsored Holding on the basis described in these CHESS Sponsorship Terms.

What the Sponsor may do as your Sponsoring Participant

- 15.3 You irrevocably authorise and direct the Sponsor:
- (a) to act on any instructions that you or we give in relation to your Sponsored Holding;
 - (b) to use your Sponsored Holding to meet your obligations under these terms;
 - (c) not to transfer Collateral into your Sponsored Holding until you have paid for the Collateral;
 - (d) to take any action that the Sponsor is authorised or required to take under the Settlement Rules or these terms in connection with the Sponsored Holding. This action may include selling any Collateral in your Sponsored Holding, including in the circumstances set out in Part D; and
 - (e) to take any other action that is reasonably required to give effect to your instructions or our or the Sponsor’s rights in connection with these Terms.
- 15.4 The Sponsor will not initiate a transfer or conversion into or out of your Sponsored Holding without our express authority. You are deemed to have given express authority to initiate a transfer or conversion in the circumstances described above.

How to give the Sponsor instructions in relation to your Sponsored Holding

- 15.5 You may give instructions in relation to your Sponsored Holding in one of the following ways (or in any other way the Sponsor agrees):
- (a) through our Website;
 - (b) by calling us; or
 - (c) through an Authorised Person if you have appointed one.

Acting on your instructions

15.6 Subject to Settlement Rules 7.2.2(e) and (f), the Sponsor will act on your instructions within two Business Days of receiving the instructions except in the following circumstances:

When the Sponsor may not act on your instructions	What the Sponsor will do
If your instructions are incomplete.	The Sponsor may refuse to comply with your instructions.
If the Sponsor acted on your instructions a Margin Call would occur.	The Sponsor may refuse to comply with your instructions to the extent necessary to ensure that a Margin Call does not occur.

When the Sponsor may not act on your instructions	What the Sponsor will do
If you have not paid an amount owing under these terms.	The Sponsor may refuse to comply with your instructions to the extent necessary to retain assets equal to 120% of the Amount Owing.
There is a Subposition over any assets in your Sponsored Holding.	Your right to deal with those securities is restricted in accordance with the terms of the Settlement Rules relating to Subpositions.
The Rules require the Sponsor not to act on your instruction or your instruction would cause the Sponsor to breach the Rules or any law.	The Sponsor will act in accordance with the Settlement Rules or relevant law.
We do not consent to the Sponsor acting on your instruction.	The Sponsor will act in accordance with our instruction.

Section 9 Transfers

15.7 If the Sponsor effects a Transfer under section 9 of the Settlement Rules then you may not assert or claim against ASX Settlement or the relevant Issuer that the transfer was not effected by the Sponsor or that the Sponsor was not authorised to effect the Transfer. You have no claim arising out of the Transfer against the compensation arrangements applicable to the Approved Market Operator or the Clearing Participant of ASX Clear under the Corporations Act and Corporations Regulations.

What happens if you die or become Bankrupt

You acknowledge that:

- 15.8 If you die or become Bankrupt you or your representative must immediately notify us and the Sponsor and a Holder Record Lock will be applied to your Sponsored Holding unless your legally appointed representative removes the Collateral in your Sponsored Holding from CHES.
- 15.9 If you die, the CHES Sponsorship Terms are deemed to remain in operation, in respect of the legally appointed representative authorised to administer your estate, for a period of up to three calendar months after the removal of the Holder Record Lock (unless your legally appointed representative removes the Collateral in your Sponsored Holding from CHES).
- 15.10 If a joint Participant Sponsored Holder dies, all Collateral sponsored by the Sponsor under the joint Sponsored Holding will be transferred into new holdings under a new Holder Record in the name of the survivors (the CHES Sponsorship Terms remain valid for the new holdings under the new Holder Record).

15.11 If a joint Participant Sponsored Holder becomes Bankrupt, the Sponsor may:

- (a) establish a new Holder Record in the name of the Bankrupt Participant Sponsored Holder, transfer the interest of the Bankrupt Participant Sponsored Holder into the new holdings under the new Holder Record and request that ASX Settlement apply a Holder Record Lock to all holdings under that Holder Record (unless the legally appointed representative authorised to administer the Bankrupt Participant Sponsored Holder's estate removes the Collateral in the Sponsored Holding from CHES); and
- (b) establish a new Holder Record in the name of the remaining joint Participant Sponsored Holders and transfer the interest of the remaining joint Participant Sponsored Holders into the new holdings under the new Holder Record.

What happens if the Sponsor's participation in CHES is suspended

15.12 If the Sponsor is suspended from CHES then subject to the Sponsor's liquidator, receiver, administrator or trustee asserting an interest in the Collateral sponsored by the Sponsor:

- (a) you may, within 20 Business Days of ASX Settlement giving notice of the Sponsor's suspension, give notice to ASX Settlement requesting that it remove any Collateral that is sponsored by the Sponsor from either CHES or the Sponsor's control to the control of another Sponsoring Participant in CHES;
- (b) if you do not give such a notice to ASX Settlement then ASX Settlement may change your Controlling Participant and you will be deemed to have entered into a new sponsorship agreement with that Sponsoring Participant on the same terms as the CHES Sponsorship Terms. The new Sponsoring Participant must enter into a sponsorship agreement with you within 10 Business Days of the change of Controlling Participant; and
- (c) we may require you to repay the Amount Owing immediately in accordance with clause 15.21.

When the Sponsor can change your Sponsoring Participant

- 15.13 The Sponsor may give you notice of their intention to change your Sponsoring Participant.
- 15.14 You are under no obligation to agree to a change of Sponsoring Participant and you may, within 20 Business Days of receiving a notice from the Sponsor under this clause, terminate the CHES Sponsorship Terms in accordance with clause 15.20.
- 15.15 If you do not terminate the CHES Sponsorship Terms:
- (a) your new Sponsoring Participant will send you a notice confirming that they consent to act as your Sponsoring Participant; and

(b) the Sponsor's rights under the CHESSE Sponsorship Terms will be novated to the new Sponsoring Participant on the effective date set out in the notice or when you receive notice from the new Sponsoring Participant consenting to act for you.

- 15.16 If you do not repay the Amount Owing after receiving a notice under clause 15.13 you will be taken to have consented to the novation of the CHESSE Sponsorship Terms.
- 15.17 These CHESSE Sponsorship Terms continue for the Sponsor's benefit in respect of any rights and obligations accruing before notice is given under clause 15.13.
- 15.18 To the extent that any law or provision of any agreement makes the novation in clause 15.15 not binding or effective, the CHESSE Sponsorship Terms continue for the Sponsor's benefit until such time as the novation is effective.
- 15.19 Nothing in this clause 15 prevents the completion of transfers or conversions by the Sponsor where the obligation to complete those transfers or conversions arose before notice was given under clause 15.13 and the CHESSE Sponsorship Terms will continue to apply to the completion of those transfers or conversions, notwithstanding the novation of the CHESSE Sponsorship Terms to the new Sponsoring Participant.

How the CHESSE Sponsorship Terms may be terminated

- 15.20 The CHESSE Sponsorship Terms terminate:
- (a) on 20 Business Days' notice in writing from either you or us to the other;
 - (b) immediately if the Sponsor becomes Insolvent;
 - (c) immediately if the Sponsor is suspended from CHESSE or its rights under CHESSE are terminated; or
 - (d) if the Sponsor gives you notice under clause 15.13, by you instructing the Sponsor to transfer the Collateral sponsored by the Sponsor out of your Sponsored Holding, effective on such transfer.
- 15.21 If the CHESSE Sponsorship Terms terminate we may require you to repay the Amount Owing immediately or enter into a new sponsorship agreement with a Sponsoring Participant approved by us.

When the Sponsor can vary the CHESSE Sponsorship Terms

- 15.22 The Sponsor may vary the CHESSE Sponsorship Terms:
- (a) in accordance with clause 36; or
 - (b) if any of the provisions in the CHESSE Sponsorship Terms are inconsistent with the Rules, the Sponsor may, by giving you not less than 7 Business Days' written notice, vary the CHESSE Sponsorship Terms to the extent which, in the Sponsor's reasonable opinion, is necessary to remove any inconsistency.

How you can make a complaint against the Sponsor or make a claim for compensation

- 15.23 You may refer a complaint against the Sponsor to any appropriate regulatory authority or other body, including ASX Settlement or the Financial Services Ombudsman.
- 15.24 If the Sponsor breaches any of the provisions of the CHESSE Sponsorship Terms, you may refer that breach to any regulatory authority, including ASX Settlement.
- 15.25 You may not make a claim on the National Guarantee Fund for compensation.
- 15.26 If you make a claim for compensation against the Sponsor, its ability to satisfy that claim will depend on its financial circumstances.

About the Sponsor

- 15.27 The Sponsor is regulated by ASX Settlement. You can find out information about the Sponsor's status as a Participant from ASX Settlement. Neither the Approved Market Operator, nor a Related Party of the Approved Market Operator has any responsibility for regulating the relationship between you and the Sponsor, other than in relation to the Rules relating to Sponsorship Agreements.

If we receive conflicting instructions from two or more of the Borrowers, or we are notified of a dispute between any of the Borrowers, we are entitled not to comply with any of those instructions until the matter is clarified to our satisfaction, and we may require each of you to sign an authority with respect to the Loan and these terms.

You are not required to provide your TFN, Australian Business Number (ABN) or advise us that you are eligible for an exemption from providing your TFN or ABN. However, if you choose not to do so, we are required to deduct withholding tax from any interest earned unless you are in an exempt category. 30 Payments

- 30.1 You must make payments under these terms at the place and in the manner reasonably required by us.
- 30.2 You must make payments under these terms by close of business local time in the place where payment is to be made.

- 30.3 You must make payments under these terms in the currency we ask or (if no request is made by us) in the currency in which the obligation is incurred.

- 30.5 If a law requires you to deduct or withhold an amount from a payment to us in respect of taxes you must pay an additional amount to us so that after making the deduction or withholding we receive the amount we would have received if no deduction or withholding had been required.

31 Set-off

- 31.1 We may combine any accounts that you have with us or set off any amount owing by us to you (whether or not due for payment) against any amount owing by you to us (whether or not due for payment). This may happen when one of your accounts is in debit and another is in credit. For example, the credit balance in one account can be used to repay the debit balance in another account.
- 31.2 Except where subject to restrictions under the Code of Banking Practice, we may do anything necessary to effect any combination or set-off under this clause 31 (including varying these terms, varying the date for payment of any amount owing by us to you and making currency exchanges). This clause applies despite any other agreement between you and us.
- 31.3 A Security Interest created by these terms over any account with us into which money is credited is subject to our rights under this clause. This clause also applies despite any other agreement between you and us.

32 Calculations

When we determine amounts under or in connection with these terms, we will make calculations to at least two decimal places, except in the case of shares or other securities, which may be rounded down to the nearest whole number at our discretion.

33 Application of payments

Application of money

- 33.1 We must apply money we receive under the Security towards paying the Secured Money in accordance with these terms unless we are obliged to pay the money to anyone with a prior claim.

Order of payment

- 33.2 We may use money received under these terms towards paying any part of the Amount Owing we choose, including by paying a later instalment before an earlier instalment or by paying amounts contingently owing before amounts actually owing. This applies even if that part only falls due after we give a notice of demand.

Suspense account

- 33.3 We may place in a non-interest bearing account held with us any payment we receive from, or on behalf of, you for as long as we consider it prudent and need not apply it towards satisfying the Secured Money or the Amount Owing as long as we are acting in a commercially reasonable manner.

Remaining money

- 33.4 We agree to pay any money remaining after the Secured Money is paid either to you (which we may do by paying it into an account in your name) or to another person entitled to it (such as another person with a Security Interest over the Collateral). In doing so, we do not incur any liability to you. We are not required to pay you interest on any money remaining after the Secured Money is paid.

Credit from date of receipt

- 33.5 You are only credited with money from the date we actually receive it in cash or as cleared funds.

34 Administrative matters

Deposit of documents

- 34.1 If we ask, you must deposit with us all other documents we request relating to the Collateral (including documents of title).

Registration

- 34.2 We may, at your expense apply for any registration, or give any notification, in connection with the Security and for whatever class or classes of collateral we think fit. You consent to any registration or notification by us, and may not make an amendment demand.

Further steps

- 34.3 You agree to do anything (such as obtaining consents, signing and providing information, producing receipts and getting documents completed and signed) which we ask and consider necessary for:
- providing more effective security over the Collateral for payment of the Amount Owing including assigning or transferring by way of security to us any Collateral;
 - ensuring that the Security is enforceable, perfected (including, where possible, by control in addition to registration) and otherwise effective;
 - enabling us to apply for any registration, or give any notification, in connection with the Security or entering into any agreement with other secured party, so that it has the priority required by us;
 - enabling us to exercise our rights in connection with the Loan or the Collateral;
 - binding you or another person intended to be bound under these terms;
 - enabling us to register the power of attorney in clause 23 (Power of attorney) or a similar power; or
 - showing whether you are complying with these terms.

- 34.4 If it is possible under CHESS for the Collateral to be subject to a reserved subposition or similar restriction in our favour or for our benefit you must execute any further documents that we ask you to so as to make the Collateral subject to such a subposition or similar restriction.
- 34.5 If the Sponsor becomes unable or ineligible to continue to perform its obligations under the Sponsorship Terms or resigns, you must enter into a sponsorship agreement on terms, and with another person, both reasonably acceptable to us.

Authority to fill in blanks

- 34.6 You agree that we may complete and fill in any blanks in a document connected with these terms (such as a financing statement, financing change statement or a transfer of the Collateral).

Right to rectify

- 34.7 We may do anything which you should have done under these terms but which you either have not done, or in our opinion, have not done properly. If we do so, you agree to pay our Costs on demand.

Reinstatement of rights

- 34.8 Under laws relating to Insolvency, a person may claim that a transaction (including a payment) in connection with the Amount Owing is void or voidable. If a claim is made and upheld, conceded or compromised, then:
- (a) we are immediately entitled as against you to the rights in respect of the Amount Owing to which we were entitled immediately before the transaction; and
- (b) on our request you must do anything (including signing any document) to restore to us any Security Interest (including the Security) we held from you immediately before the transaction.

Our obligations under this clause are continuing obligations, independent of our other obligations under these terms and continue after the Loan ends.

Security Interest continues

- 34.9 Any Security Interest you grant in favour of us under these terms is a continuing security despite any intervening payment, settlement or other thing until we release all of the Collateral from it.

35 Exercise of our rights – generally

- 35.1 We may exercise a right, power or remedy under these terms in any way we consider appropriate, including by imposing conditions.
- 35.2 If we do not exercise a right, power or remedy fully or at a given time, we can still exercise it later.
- 35.3 We will act reasonably and be guided by our legitimate business interests in deciding whether and how to exercise any discretion we have under these terms.
- 35.4 We are not liable for any loss caused by the exercise or attempted exercise of, failure to exercise, or delay in exercising, a right or remedy, whether or not caused by our negligence.

- 35.5 Our rights, powers and remedies under these terms:
- (a) are in addition to other rights and remedies given by law independently of these terms;
- (b) do not merge with and are not adversely affected by any other Security Interest and may be executed independently or together with any rights or remedies including under any other Security Interest; and
- (c) may be exercised even if this involves a conflict of duty or we have a personal interest in their exercise.
- 35.6 Nothing we do under any of these terms makes us liable as mortgagee in possession.
- 35.7 Our rights and remedies under these terms may be exercised by any of our authorised employees or any other persons we authorise.

36 Variation
