2 INFORMATION ABOUT LEVIES AND EXPENSE RECOVERIES

Australia's superannuation system is amongst the best in the world. However it is also very complex, and has undergone a large amount of regulatory change and government reforms in recent years. The cost of implementing this regulatory change across the financial services industry is estimated at \$3 billion.

ANZ has absorbed a portion of the costs of complying with these changes and reforms, however, like most other superannuation funds across the industry, ANZ Smart Choice recovers some of these costs through annual levies and expense recoveries where appropriate.

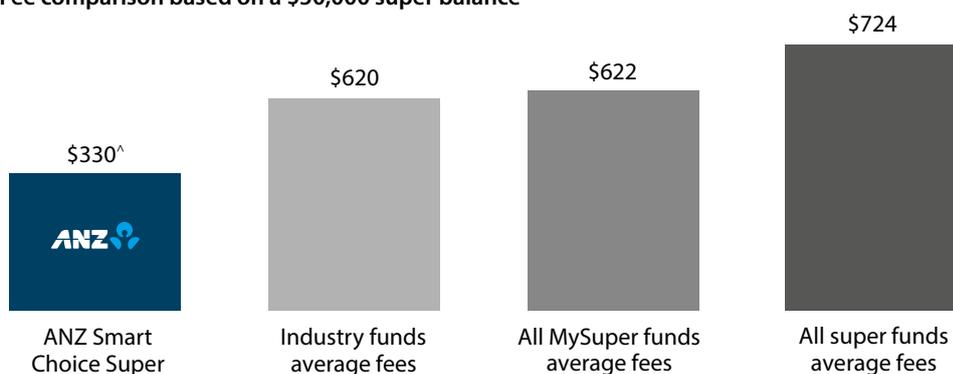

For the 12 months to June 2017 levies and expense recoveries of 0.03% p.a. were applied against the investments of the Fund (except for ANZ Smart Choice Cash). For the 12 months to 30 June 2018, this is estimated to increase to up to 0.08% p.a. due to the increased cost of complying with regulatory change.

To illustrate the impact of this on members, for a \$50,000 superannuation account balance, levies and expense recoveries would equate to up to \$40 per year. Please note that for the ANZ Smart Choice Cash investment option levies and expense recoveries are estimated to remain as 0%.

Levies and expense recoveries are usually charged in June each year. As they are deducted from the assets of each investment option and included in the unit price, you will not see a direct line item deduction in your standard transaction listing. These are instead incorporated within the fee titled "Admin Fee (Other)".

Despite this increase, ANZ Smart Choice remains one of the most competitive superfunds in the industry*, as illustrated below.

Fee comparison based on a \$50,000 super balance

INFORMATION ABOUT YOUR INSURANCE COVER IN ANZ SMART CHOICE

In your covering letter, we have provided a table that outlines:

- your cover type
- the current level of cover you have
- the new level of cover that will be applied on 17 March 2018
- the current annual insurance fees you pay
- the new annual insurance fees you will pay from 17 March 2018.

If the new level of cover in your Letter shows \$0.00, this indicates that your cover has ceased or never commenced for this type of cover, or you do not have this type of cover.

Your new level of cover is determined based on your Age Next Birthday calculated as at 17 March 2018.

For example:

- If you are 50 years old and your 51st birthday is after 17 March 2018, your level of cover is based on age 51.
- If you are 50 years old and your 51st birthday is on or before 17 March 2018, your level of cover is based on age 52.

Your levels of cover may have changed for a number of reasons, including:

- Tapering has been applied to your Total and Permanent Disability (TPD) cover, or
- The cover provided at your Age Next Birthday is impacted by changes in the Lifestage cover design.

You should review your insurance arrangements regularly to ensure that it continues to meet your needs.

For more information about your insurance cover, call Customer Services on 1800 290 686 weekdays between 8.30am and 6.30pm (AEST). If you would like to apply for additional Death, TPD and/or Income Protection (IP) cover, vary or cancel your insurance cover, you can visit us online at anz.com/smartchoicesuperinsurance>Apply for insurance cover, and submit your request.

You should read the **whole** of this Reference Guide to understand the changes to ANZ Smart Choice. However, there are some key changes outlined below we would like to draw your attention to.

Changes to Unitised Cover (page 8) – Cover provided to members without Underwriting (detailed assessment by the Insurer of a member's health) will be provided as "**Lifestage**" cover. Lifestage cover mirrors some of the features of Unitised cover, including age based levels of cover, however the level of cover offered may vary. Your Letter will show you your current level of cover, and your new cover under Lifestage.

If you hold Unitised Double Death and Double TPD cover, Double Death and TPD cover, or Double Death cover you will receive Lifestage cover on 17 March 2018, which could result in a reduction in your cover.

You can choose to keep your current level of cover, without the need for Underwriting or any assessment by the Insurer, by contacting Customer Services on 1800 290 686 weekdays between 8:30am and 6:30pm (AEST) by 9 March 2018.

Introduction of Choose Your Own Cover (page 8) –

As Unitised Double Death and Double TPD cover, Double Death and TPD cover, or Double Death cover is no longer available, if you do not wish to be covered by Lifestage cover, you will be able to choose the level of Death and TPD cover that's right for you through Choose Your Own cover. Choose Your Own cover requires an Underwriting application to the Insurer, where you will be assessed for acceptance by the Insurer.

Introduction of Life Events Cover (page 9) – If you hold Underwritten Choose Your Own cover, you can apply to increase your cover amount, without underwriting, subject to product rules.

Introduction of Interim Accident cover (page 9) – If you apply for Underwritten Choose Your Own or Life Events cover, while your application is being assessed, you will be covered by Interim Accident Cover, subject to product rules.

Extended period for Terminal Illness (page 9) – After 17 March 2018, if you are diagnosed with a terminal illness with a life expectancy of 24 months or less, you will be able to claim your Terminal Illness insurance benefit sooner.

Improved Total and Permanent Disability definition* (page 9) – ANZ Smart Choice members who are not at work will benefit from a less restrictive TPD definition for claim events where the Claim Incurred Date is on or after 17 March 2018. This change will make it easier to be eligible for a TPD claim. If you have Choose Your Own TPD cover, your TPD cover will be reduced by 20% each year once your Age Next Birthday reaches 62 until you have no TPD cover from Age Next Birthday 66.

* This type of cover is not available to Pension members.

Introduction of Smoker/Non-Smoker rates to Income Protection cover* (page 9) – Smoker/Non-Smoker rates are being introduced to Income Protection cover. You can call us to advise or update your smoking status.

* This type of cover is not available to Pension members.

Changes to occupation categories (page 9) – We're changing the occupation category names within ANZ Smart Choice for some occupation categories, however this change will not affect the insurance that you hold.

Revised insurance rates (page 10) – On 17 March 2018, ANZ Smart Choice insurance rates for TPD cover and Income Protection cover will change. This may mean a change in annual insurance fees for some members. Insurance rates for Death cover have not changed, however, a change to the Death cover amount may result in a difference in your annual insurance fee.

Periods of Overseas Residency (page 10) – If you have been temporarily residing overseas, your cover won't cease after two years.

Where we may reduce a Benefit payment (page 10) – If you are entitled to claim a Benefit, you may be required to pay the Insurer, through deduction in the Benefit paid, for costs incurred directly as a result of providing cover or assessing your claim.

Where we may decline a Benefit (page 10) – If you are Imprisoned, we may decline to pay a Benefit.

4 INSURANCE FEES

ANZ Smart Choice insurance rates have remained unchanged since 2011. ANZ have maintained the cost of insurance at the same competitive rates, while many superfunds across the industry have increased their insurance fees several times over the same period, as indicated in the following table:

Change in average prices by calendar year

Type of Cover	2013* (%)	2014 (%)	2015 (%)	2016^ (%)
Death and TPD	+34	+45	+31	+24
IP	-1	+20	+38	+11

* 01/05/2013 onwards.

^ To 31/05/2016.

Since ANZ Smart Choice was launched, the insurance needs of our members have changed. To understand these needs, we have looked at our member demographics and industry information to guide us in designing improvements to ANZ Smart Choice insurance outlined in this Guide.

These changes will provide members with greater certainty at time of claim and more flexibility in their insurance arrangements.

In order to introduce these changes, insurance rates have been updated. Some ANZ Smart Choice members may experience an increase, and some a decrease in their insurance fees.

Despite these insurance rate changes, ANZ Smart Choice members will continue to receive competitive rates and features for insurance within superannuation.

It is important that you understand your insurance cover, and how to change it to meet your circumstances.

As always, we recommend that you seek financial advice about your insurance needs, and consider whether your current cover meets those needs.

For more information about your insurance cover, call Customer Services on 1800 290 686 weekdays between 8.30am and 6.30pm (AEST). If you would like to apply for additional Death, TPD and/or Income Protection cover, vary or cancel your insurance cover, you can also visit us online at anz.com/smartchoicesuperinsurance >Apply for insurance cover, and submit your request.

5 YOUR NEW INSURANCE COVER

5.1 CHANGES TO UNITISED COVER

On 17 March 2018, all Unitised Cover held, including Unitised Double Death and Double TPD cover, Double Death and TPD cover, or Double Death cover will be converted to Lifestage Cover and you may have a reduced level of cover. Your cover will be subject to any exclusions, loadings, special conditions (including Pre-Existing Condition Exclusions) or restrictions that apply to your current cover. Lifestage cover is not Unitised.

Lifestage cover provides Death (including Terminal Illness) cover or Death and TPD cover, subject to eligibility and the Pre-Existing Condition exclusion. The level of cover you receive is based on your age, with a higher level of cover at ages when you are likely to have greater financial commitments, and reducing at later ages when you are likely to have less financial commitments.

Your current cover will be converted to the cover offered under Lifestage cover applicable to your Age Next Birthday, as calculated on 17 March 2018.

You can choose to keep your current level of cover, subject to occupation exclusions or loadings, without the need for Underwriting or any assessment by the Insurer by contacting Customer Services on 1800 290 686 weekdays between 8:30am and 6:30pm (AEST) by 9 March 2018. If you elect to retain your current level of cover, you will need to declare your occupation, and subject to eligibility and any applicable loadings, will be moved from Lifestage cover to Choose Your Own cover.

If we do not receive your occupation at the time of your request, we will attempt to obtain this information from you prior to 17 March 2018. If you do not notify us of your occupation, your current occupation category will be retained (where we have a record of your occupation category), or your cover will be provided under the "Standard" occupation category. It is important that your insurance details are accurate, as incorrect details may affect your ability to claim.

If you retain your current level of cover, your cover amount will no longer change with age, but will remain fixed at the current value until your Choose Your Own TPD cover tapers when your Age Next Birthday reaches 62, as described in this Guide. In deciding to retain your current level of cover, you should assess your current and future insurance needs against your personal objectives and financial situation. If you decide to change your level of cover in the future, you may need to submit an application and be assessed by the Insurer for Underwritten Choose Your Own cover.

The following table shows the Lifestage insurance cover amounts.

ANB	Lifestage Cover	
	Death	TPD
16-20	\$80,000	\$180,000
21-25	\$100,000	\$200,000
26-30	\$120,000	\$220,000

51-55	\$150,000	\$150,000
56	\$100,000	\$100,000
57	\$100,000	\$90,000
58	\$100,000	\$80,000
59	\$100,000	\$70,000
60	\$80,000	\$60,000
61	\$60,000	\$50,000
62	\$40,000	\$40,000
63	\$40,000	\$30,000
64	\$40,000	\$20,000
65	\$40,000	\$20,000
66-75	\$35,000	Nil

5.2 INTRODUCTION OF CHOOSE YOUR OWN COVER

Choose Your Own cover is a fixed level of Death only, or fixed level of TPD cover up to Age Next Birthday 62 – where the amount of your cover doesn't change over time. Choose Your Own cover offers you the flexibility to choose a level of Death or Death and TPD cover to meet your financial needs, subject to Maximum Benefit Level limits. You cannot hold Choose Your Own cover and Lifestage cover together in one ANZ Smart Choice account.

If you hold Choose Your Own TPD cover, once your Age next Birthday reaches 61, your cover amount will taper (reduce) each year by 20%. If your Age Next Birthday on 17 March 2018 is 62 or older, a TPD tapering percentage applicable to your calculated age will be applied. The following table provides an example of how tapering would apply to a member with \$200,000 cover.

Age Next Birthday	Choose Your Own Cover Amount	% Taper	Actual Cover
60	\$200,000	0%	\$200,000
61	\$200,000	0%	\$200,000
62	\$200,000	20%	\$160,000
63	\$200,000	40%	\$120,000
64	\$200,000	60%	\$80,000
65	\$200,000	80%	\$40,000
66	\$200,000	100%	–

Applications for Choose Your Own cover, unless converting existing Unitised cover prior to 9 March 2018, need to be assessed through Underwriting by the Insurer, and cover commences on the date the Insurer approves the application. Cover may be subject to exclusions, occupational loadings and medical loadings.

You should review your insurance arrangements regularly to ensure that it continues to meet your needs. You can apply to adjust your Choose Your Own cover amount, subject to Underwriting approval, at any time by visiting anz.com/smartchoicesuperinsurance > Apply for insurance cover, and submit your request.

5.3 INTRODUCTION OF LIFE EVENTS COVER

Life Events cover, which allows you to apply to increase your cover amount by the lesser of 25% of cover held or \$200,000, will be available to all members from 17 March 2018. If you currently hold Unitised cover, you will need to complete an Underwriting application, including medical assessment. If you currently hold Underwritten Choose Your Own cover, you will be able to apply without any additional Underwriting.

You must be able to demonstrate to the Insurer's satisfaction that you meet the eligibility requirements, including occurrence of a Specific Life Event (marriage, birth or adoption of child, child commencing secondary school, or first mortgage) and continued good health.

Life Events cover will be provided as Death cover only where you currently hold Death cover, or Death and TPD cover where you currently hold Death and TPD cover.

5.4 INTRODUCTION OF INTERIM ACCIDENT COVER

If you apply for Choose Your Own cover you will be provided Interim Accident Cover while your application is being assessed, subject to product and eligibility rules. Interim Accident Cover provides members with a benefit if injured or involved in an accident while waiting for their cover application to be assessed.

5.5 CHANGES TO TERMINAL ILLNESS COVER

From 17th March 2018 the certification period for Terminal Illness cover (period for which medical practitioners have stated you are likely to die due to a terminal illness) is changing from 12 months to 24 months. This means that if you are diagnosed with a terminal illness on or after 17 March 2018, you will be able to access your Terminal Illness benefit sooner, subject to the Insurer's assessment. The full Terminal Illness definition is provided on page 18.

5.6 IMPROVED TOTAL AND PERMANENT DISABILITY DEFINITION

For members who are not at work, we're changing the TPD definition where the Claim Incurred Date is on or after 17 March 2018, so that you're more likely to meet the TPD benefit payment provision in the event of an accident or illness which leaves you unable to work. This improvement is a result of moving from the specific loss definition (loss of limbs or sight) to the Activities of Daily Living definition

(ability to perform daily living tasks), which means that claims for an increased range of conditions, illnesses or injuries will be eligible.

If you already hold Choose Your Own TPD cover, from 17 March 2018, you will be assessed under TPD Definition 1 if you are Gainfully Working, or TPD Definition 2 if not at work. This improved TPD benefit payment provision will specifically benefit you if you are aged 60 or over, as you would currently be assessed only under definition 2. This change will make it easier to meet claim eligibility requirements. The existing and new TPD definitions are provided on page 19.

5.7 INTRODUCTION OF SMOKER/ NON-SMOKER RATES

Smoker/Non-Smoker rates will be introduced to Income Protection cover, in line with Lifestage and Choose Your Own cover, which have separate rates for smokers and non-smokers.

If you currently have Income Protection cover, we will be applying the declared smoking status we have on record for another type of insurance you hold with us. If you do not hold another type of cover with us, or we do not have your smoking status on record, we will apply the smoking status indicated on your Income Protection application form, unless you tell us otherwise.

Your smoking status can be found on your Letter and/ or most recent Annual Statement. If you wish to confirm your smoking status, or believe that your smoking status is not correct, you can contact Customer Services weekdays between 8:30am and 6:30pm (AEST) on 1800 290 686.

5.8 CHANGES TO OCCUPATION CATEGORIES

From 17 March 2018, the occupation categories within Choose Your Own cover will be Heavy Blue, Standard and White Collar. For Lifestage TPD cover the categories will be Standard and White Collar. Lifestage Death cover does not have occupational loadings. The highest loading factor is applied to the Heavy Blue category and the lowest to the White Collar category.

If we do not have your occupation on record, we will apply the Standard Occupation Category to your cover, until you tell us otherwise.

Your occupation category can be found on your Letter. You may notice that your occupation category is different across the types of cover you hold, as some occupations have different occupation categories between Death and TPD cover and Income Protection cover – if you wish to confirm your Occupation Category, or believe that your current occupation is not correct, you can contact Customer Services on 1800 290 686 weekdays between 8:30am and 6:30pm (AEST).

5.9 REVISED INSURANCE RATES

Insurance rates for ANZ Smart Choice have not changed since 2011; in that time many competitors have increased their insurance rates several times. On 17 March 2018, the ANZ Smart Choice insurance rates for Unitised TPD cover will convert to Lifestage TPD cover, Choose Your Own Death or Death and TPD cover, and Income Protection cover will change.

Your Letter will show if you have an increase or decrease in your annual insurance fees. Insurance rates for Unitised/Lifestage Death cover have not changed, however, a change to the Death cover amount may result in a difference in the annual insurance fee.

5.10 CHANGES TO PERIODS OF OVERSEAS RESIDENCY

If you have been residing overseas, your cover will be retained even if you have been overseas for a period greater than 2 years, provided you have not permanently departed Australia. If you have, or will in the future depart Australia permanently, please advise us as soon as possible by contacting Customer Services. If you permanently depart Australia, your cover will be viewed as having ceased from the day of departure, and you will not be eligible to claim.

5.11 WHERE WE MAY REDUCE A BENEFIT PAYMENT

If you are entitled to be paid a benefit, we may reduce your benefit payment if:

- your age, gender or smoking status is misstated,
- there are insufficient funds in your account to pay for insurance fees owing at that date (where cover has not ceased), or
- we incur a non-attendance fee for any medical examinations arranged by us, through no fault of our own.

5.12 WHERE WE MAY DECLINE A BENEFIT

If you are Imprisoned on the Claim Event Date, including any benefit under Interim Accident Cover, we may decline any benefit.

6 GENERAL INFORMATION

THE TRUSTEE'S DUTY OF DISCLOSURE

The Trustee, who enters into a life insurance contract in respect of your life, has a duty, before entering into the contract, to tell the Insurer anything that it knows, or could reasonably be expected to know, may affect the Insurer's decision to provide the insurance and on what terms.

The Trustee has this duty until the Insurer agrees to provide the insurance.

The Trustee has the same duty before it extends, varies or reinstates the contract.

The Trustee does not need to tell the Insurer anything that:

- reduces the risk the Insurer insures you for; or
- is of common knowledge; or
- the Insurer knows or should know as an insurer, or
- the Insurer waives your duty to tell the Insurer about.

YOU MUST DISCLOSE RELEVANT INFORMATION

You must tell the Insurer anything you know, or could reasonably be expected to know, which may affect the Insurer's decision to provide the insurance and on what terms. If you do not do so, this may be treated as a failure by the Trustee to tell the Insurer something that the Trustee must tell the Insurer.

If you provide relevant information to the Trustee, rather than the Insurer, the Trustee will provide the information you give the Trustee to the Insurer. The Trustee will do this so that you comply with your obligation to provide relevant information to the Insurer.

IF THE TRUSTEE DOES NOT TELL THE INSURER SOMETHING

In exercising the following rights, the Insurer may consider whether different types of cover can constitute separate contracts of life insurance. If they do, the Insurer may apply the following rights separately to each type of cover.

If the Trustee does not tell the Insurer anything the Trustee is required to, and the Insurer would not have provided the insurance or entered into the same contract with the Trustee if the Trustee had told the Insurer, the Insurer may avoid the contract within three years of entering into it.

If the Insurer chooses not to avoid the contract, the Insurer may, at any time, reduce the amount of insurance provided. This would be worked out using a formula that takes into account the insurance fee that would have been payable if the Trustee had told the Insurer everything it should have. However, if the contract provides cover on death, the Insurer may only exercise this right within three years of entering into the contract.

If the Insurer chooses not to avoid the contract or reduce the amount of insurance provided, the Insurer may, at any time vary the contract in a way that places the Insurer in the same position it would have been in if the Trustee had told the Insurer everything it should have. However, this right does not apply if the contract provides cover on death.

If the failure to tell the Insurer is fraudulent, the Insurer may refuse to pay a claim and treat the contract as if it never existed.

INSURANCE CLAIMS

If you submit an insurance claim, the Insurer will assess your claim against your cover and the terms and conditions of the policy that you were covered by at the date of the event giving rise to the claim (Event Date). If the Insurer determines the Event Date to be prior to 17 March 2018, the Insurer will generally assess the claim under the policy terms and sums insured you held at that time. If the Insurer determines the Event Date to be on or after 17 March 2018 your claim will generally be assessed under the new policy terms and sums insured you hold from that time. At the time of any claim, the Insurer will confirm to you or your beneficiaries the appropriate policy terms and conditions under which your claim will be assessed.
